## SUMMARY

---

"Hi there! I'm Arvind Kumar, a Computer Science graduate (B.Tech) excited about web development. I've learned Responsive Web Design and JavaScript Algorithms and Data Structures from FreeCodeCamp. I enjoy creating user-friendly websites and solving coding challenges. Let's team up to bring great ideas to life!" [click here](#).

## PROJECTS

---

### TODO List (jan 2024)

[See Live](#)

- **Technologies used:** React.js, JavaScript(ES6), HTML5, CSS3, React Hooks.
- Code link: [Github](#)
- Created a dynamic and user-friendly Todo List application using React.js, a powerful JavaScript library. User can perform the tasks, offering features like **adding, editing, deleting, and marking tasks as finished**.
- **State Management:** Leveraged React.js's robust state management to create a responsive and real-time application, updating dynamically as users interact with their todo lists.

### Quiz App (jun 2024)

[See Live](#)

Developed an interactive quiz application using React, with the following key features:

- **Multiple Choice Format:** Each question presents four answer options.
  - **Timed Questions:** Users are given 30 seconds to answer each question, enhancing the challenge and engagement.
  - **Score Summary:** At the end of the quiz, users receive a total score based on their performance.
  - **Technologies used:** HTML5, CSS3, JavaScript(ES6), React Hooks
- This project demonstrates proficiency in React, emphasizing state management, user interface design.

### Travelling Site (March 2024)

[See Live](#)

The "Travelling Website UI" is a modern platform that makes planning your next trip easy and enjoyable. Using the latest technologies like HTML, CSS, and JavaScript, it offers six main sections: **Home, Book, Packages, Gallery, Reviews and Conatct**

- **Technologies used:** React.js, JavaScript, HTML5, CSS3.

## EDUCATION

---

2017 - 2021	B.Tech (CSE) at <i>Kali Charan Nigam Institute of Technology Banda</i>	(CGPA: 6.41/10)
2017	Class 12th at <i>Adarsh Bajrang Inter Collage Banda UP Board</i>	(64.4 percent)
2015	Class 10th at <i>Adarsh Bajrang Inter Collage Banda UP Board</i>	(77.6 percent)

## CODING PROFILE AND CERTIFICATES

---

- **Coding Profiles:** FreeCodeCamp : [Link](#) , W3School : [Link](#)

- **Certificates:** Responsive Web Design : [Link](#), Algorithms and Data Structure: [Link](#), Backend Development and APIs [Link](#), MERN Stack Fundamentals : [Link](#)

## TECHNICAL SKILLS

---

- **Languages and Frameworks:** HTML, CSS, JavaScript, ES6, React.js, Express.js, Node.js, MongoDB, Mongoose , Restful API routes, socket.io.
- **Skills:** Data Structure and Algorithms
- **Developer Tools:** VS Code, Git/Github, Postman API Tool
